Zajqhia 17 – Chivkeeb Tshooj 19

Xaudoos thiab Kaumaulas Raug Hlawv Sodom and Gomorrah Burned

Nyob rau hauv ib lub nroog loj, muaj ib tug neeg uas muaj nyiaj heev tau tsim ib lub khw loj muag khoom (mall). Tabsis tomqab ntau xyoo tibneeg tsis nyiam mus yuav khoom hauv lub khw ntawd lawm. Tus tswv pom tias lub khw ntawd tsis tau nyiaj raws li siab xav lawm, txawm cov tsev loj thiab tseem khov heev los nws muab tsoo thiab rhuav mus. Nws tsim dua lwm hom vajtsev rau.

Lub ntiajteb no thiab txhua yam uas nyob hauv lub ntiajteb no yog Vajtswv tsim. Yog tej ntawd tsis muaj qabhau rau Vajtswv hnuv twg lawm, Vajtswv muaj cai muab tsoo thiab rhuav pov tseg mus. Nws muaj cai tsim dua yam tshiab los hloov. Nyob hauv Chivkeeb tshooj 19, peb yuav kawm txog ob lub nroog uas Vajtswv hlawv. Tej tibneeg thiab tsiajtxhu uas nyob hauv ob lub nroog ntawd piamsij lawm huvsi. Yog ua cas Vajtswv ho ua li ntawd? Lawv tej kev txhaum yog dabtsi? Cas Vajtswv tsis ua siab ntev mentsis? Nyeem Chivkeeb 19:1-29, uantej teb cov lus nug no.

In a particular city, there was a rich man. He built a big mall. Years later, people did not prefer shopping in that mall any more. The owner realized that the mall did not bring him income as he expected, even though the buildings were large and strong, he decided to tear them down. He rebuilt other types of buildings in that place.

The world and everything in the world was created by God. Whenever the things God created become useless to Him, He has the right to tear them down. He has the rights to rebuild or recreate something else. In Genesis 19, we read about two cities that God destroyed by fire. People and animals were perished. Why did God do that? What were their sins? Why was God not be more patient? Read Genesis 19:1-29, before answering these questions.

1. Raws li Chivkeeb 18:20-21, Vajtswv twb hnov dabtsi txog lub nroog Xaudoos thiab Kaumaulas lawm?

According to Genesis 18:20-21, what did God hear about Sodom and Gomorrah?

2. Thaum ob tug timtsvw mus txog hauv nroog Xaudoos hmo ntawd, nkawd pom dabtsi tshwmsim? (Nqe 1-9).

What did the two angels experience when they arrived in Sodom that night? (Verses 1-9).

3. Raws li nqe 3 hais, koj totaub tias cov neeg hauv Xaudoos thiab Kaumaulas tej kev txhaum yog dabtsi?

Based on verse 3, what was the sin of the people in Sodom and Gomorrah?

4. Raws li Chivkeeb 18:32 hais, yog muaj 10 tus neeg zoo nyob hauv lub nroog ntawd Vajtsvw yuav tsis hlawv. Nyeem 19:15, thiab suav saib cov neeg zoo uas nyob lub nroog ntawd muaj pistsawg leej xwb?

According to Genesis 18:32, if ten good people were found in that city, God would not destroy it. Now read 19:15, and count the number of good people in that city. How many were there?

5. Ib tug timtsvw hais kom lawv khiav tawm thiab tsis txhob tig saib qab (Nqe 17). Thaum ob lub nroog tabtom kubnyhiab, leejtwg tig saib qab thiab muaj teebmeem dabtsi rau nws? (Nqe 26).

One of the angels told them to escape and never to look back (verse 17). When the two cities were being burned, who looked back and what happened? (Verse 26).

6. Nyeem Loo 1:21-27 uantej teb lo lus nug no. Yog ib tug neeg hais rau koj tias, tus txivneej uas deev txivneej thiab tus pojniam uas deev pojniam yeej tsis neeg txhaum vim Vajtswv yeej tsim nkawd los zoo li ntawd, koj yuav teb nws li cas?

Read Romans 1:21-27 before answer this question. If someone said that homosexuality is not a sin because God created a homosexual person person that way, what would be your answer?

Raws li Chivkeeb 1:27-28 hais mas thaum Vajtswv tsim tibneeg Vajtswv yeej tsim ua pojniam thiab txivneej. Lub homphiaj yog kom muaj tub muaj ki thiab huamvam mus kom thoob ntiajteb. Yogli, ob tug txivneej sib yuav los muaj tsis tau menyuam. Ob tug pojniam sib yuav los muaj tsis taus menyuam. Yog muaj tsis taus menyuam lawm ces noobneej yuav pib tunoob zuzus hauv lub ntiajteb no mus. Txhua yam uas tawmtsam Vajtswv lub homphiaj yog los ntawm Ntxwjnyoog los. Txhais tau hais tias *homosexuality* yog los ntawm Ntxwjnyoog los.

Raws li Yaxayas 5:20 hais, tus uas raug Vajtswv foom tsis zoo yog tus uas muab qhov phem hu ua qhov zoo, muab qhov tsausntuj hu ua qhov pomkev thiab muab qhov pomkev hu ua tsausntuj, muab qhov iab hu ua qhov qabzib, thiab muab qhov qabzib hu ua qhov iab. Leejtwg yog tus tig Vajtswv cov lus li ntawd? Ntxwjnyoog thiab xwb. Vajtswv hais tias, yog noj cov txiv ntoo hauv lub plawv vaj mas yuav tuag. Ntxwjnyoog ntxeev lus kiag hais tias noj los yeej tsis tuag. Ntxwjnyoog thiab tus nab uas nws siv thiaj raug foom phem.

Vim li ntawd, hnuv twg ib tug txivneej tsis xav nrog pojniam pw tabsis xav nrog ib tug txivneej li nws pw, thiab hnuv twg ib tug pojniam tsis xav nrog txivneej pw tabsis xav nrog ib tug pojniam li nws pw, yog nws tsis lees txim, tus ntawd yog tus raug Vajtswv foom phem.
