

Chivkeeb/Genesis

Zajqhia 19 – Chivkeeb Tshooj 20

Rov Ua Txhaum Dua Repeating Sins

Vajluskub ntuas kom tus uas ntseeg Vajtswv txhob ua txhaum ntxiv lawm. Tabsis peb sawvdaws tseem pheej ua txhaum. Muaj ntau zaus yus tseem rov ua qhov txhaum qub uas yus twb tau ua yav dhau los lawm thiab twb tau thov Vajtswv zam txim uantej lawm.

Nyob rau hauv Chivkeeb tshooj 20 no, peb pom tias Anplahas ua txhaum li ntawd thiab. Nws twb yog tus ntseeg Vajtswv uas tsimnyog ntuas lwm tus ua zoo tabsis nws tseem raug lwm tus uas tsis ntseeg Vajtswv ntuas nws. Nyeem kom tagrho Chivkeeb tshooj 20, uantej teb cov lus nug no.

The Bible teaches that believers should not continue in sin. But all of us have sinned. Many times, we fall into the same sin that we have committed and have asked for forgiveness before.

In Genesis 20, we read that Abraham did the same thing. He was a believer and was supposed to rebuke others when they do wrong but he was rebuked by an unbeliever. Read the whole chapter of Genesis 20, before answering these questions.

1. Chivkeeb 12:10-20, Anplahas twb khiav mus rau tebchaws Iziv thiab tau dag Vajntxwv Falaus hais tias nws tus pojniam Xalais yog nws tus muam xwb. Falaus thiaj tau coj Xalais mus ua nws pojniam lawm. Tabsis hauv Chivkeeb tshooj 20 no, Anplahas rovqab dag ib yam li qub thiab. Zaum no muaj dabtsi tshwmsim?

In Genesis 12:10-20, we read that Abraham went down to Egypt and he lied to Pharaoh that his wife Sarah was his sister. Therefore, Pharaoh took Sarah to be his wife. Here in chapter 20, Abraham lied again. What happened?

2. Zaum uas Vajntxwv Falaus coj Anplahas pojniam lawm, yog Vajtswv tso kev mobnkeeg los raug Falaus tsev neeg (Chivkeev 12:17), nws thiaj paub thiab xa Xalais rovgab rau Anplahas. Zaum no, hauv Chivkeeb 20:3, yog ua cas Anpimelej ho paub tias Xalais yog Anplahas tus pojniam?

In Egypt, when Pharaoh took Sarah away, God sent a plague to Pharaoh's household (Gen. 12:17), he realized what he did wrong and sent Sarah back to Abraham. Now, what made Abimelech know that Sarah was Abraham's wife? (Verse 3).

3. Txawm yog noobneej tau poob kev txhaum lawm los vim noobneej yog Vajtswv tsim thiab muaj tus mojjam, tus yamntxwv zoo li Vajtswv, yogli, tseem muaj qhov zoo nyob ntawm noobneej thiab. Nyob ntawm nqe 4-5, yam zoo ntawm Anpimelej yog dabtsi?

Because humans were created in the image and likeness of God, even after the fall, there has been some goodness found in humans. In verses 4-5 what are the goodness found in Abimelech?

4. Ntawm nqe 7, Vajtswv muab Anplahas hu ua tus cev lus (*prophet*). Tsimnyog Anplahas, tus uas cev lus rau Vajtswv, ua tus cem thiab qhuab ntuas Anpimelej, tabsis zaum no Anplimelej ho yog tus cem thiab ntuas Anplahas. Nws cem Anplahas li cas? (Nqe 8-9).

In verse 7, God called Abraham a prophet. It is appropriate that Abraham, being the prophet of God, would reprimand Abimelech, but this time, it was Abimelech who had to reprimand Abraham. What did he say to Abraham? (Verses 8-9).

5. Ntawm nqe 10-13, Anplahas qhia qhov tseeb hais tias yog ua cas nws thiaj dag. Tsis muaj ib yam uas yuam tau kom yus dag, tshwj thaum ntshai tuag xwb. Zaum uas koj ntshai tuag es koj tau dag lawm yog zaum twg?

In verses 10-13, Abraham revealed what motivated him to lie. Nothing is able to force us to lie more than the fear of being killed. Tell us an occasion when you lied because of the fear of death?

6. Anpimelej yog tus Vajntxwv rau ib haiv neeg me hu ua Gerar. Tabsis nws yog neeg muaj lub siab zoo. Ob yam uas nws tau ua zoo rau Anplahas ntxiv yog dabtsi? (Nqe 14-15).

Abemelech was a king for a small nation called Gerar. But he was a good man. What are the two more good things that he did to Abraham? (Verses 14-15).

7. Peb feem coob tseem tshuav tej kwvij thiab phoojywg uas tsis tau ntseeg Vajtswv. Koj xav ua koj lub neej kom zoo li cas rau lawv pom?

Most of us still have relatives and friends who are not believers. What do you plan to live your life that will be a witness to them?

Zaj uas peb kawm hnuv no ua rau peb xav txog qee yam tseemceeb li no:

1. Peb txhua tus zoo li Anplahas, yus tau ua txhaum thiab coglus hais tias yuav tsis ua qhov txhaum ntawd ntxiv lawm, tabsis tsis nwm twb rovqab ua txhaum lawm thiab.
2. Tus uas yog Vajtswv menyuam, txawm nws mus txog twg los Vajtswv nrognraim nws. Yog leejtwg ua tsis zoo rau nws, Vajtswv yuav ua tus tivthaiv.
3. Tus uas ntseeg Vajtswv yog tus cev Vajtswv lus. Nws thov Vajtswv rau leejtwg tus ntawd tau koobhmoov ib yam li Anpahas thov Vajtswv rau Anpimelej es nws pojniam rovqab xeeb taus menyuam.
4. Tus tsis ntseeg Vajtswv txawj ua zoo tsis yog vim nws coj li Vajluskub qhia tabsis yog tseem tshuav yam zoo ntawm Vajtswv nyob hauv nws.
5. Txawm tus ntseeg Vajtswv thiab ua thawj coj rau sawvdaws los thaum yus tau ua txhaum lawm yuavtsum txoj hwjchim, cia lwm tus ntuas yus thiab.
