Zajqhia 25 – Chivkeeb Tshooj 25

Noob Txhaum Thiaj Ua Txhaum Our Sinful Nature Leads Us To Sins

Vajtswv foom hmoov rau tibneeg kom yuavtsum muaj tub muaj ki thiab huamvam mus kom thoob ntiajteb (Chivkeeb 1:28). Tabsis vim Adas thiab Evas tau ua txhaum ces txhua tus uas yog nkawd xeebntxwv puavleej ua txhaum. Nyob hauv Chivkeeb tshooj 25 no peb yuav pom tias lxaj tus pojniam Lenpekas yug tau ob tug tub. Lxaj thiab Lenpekas nkawd los ua txhaum; ob tug menyuam los ua txhaum. Nyeem kom tagnrho Chivkeeb 25:19-34, uantej teb cov lus nug no.

God blessed humans saying that they should multiply and fill the earth (Genesis 1:28). But because Adam and Eve sinned, all their descendants also sin. In Genesis 25, we will see that Isaac and Rebekah sinned, and their two sons also sinned. Read Genesis 25:19-34, before answering these questions.

1. Thaum lxaj yuav Lenpekas nws muaj hnuvnyoog 40 xyoo (nqe 20), tabsis thaum nkawd yug tau ob tug tub, lxaj twb muaj hnuvnyoog 60 xyoo lawm (nqe 26). Ntawm nqe 21 hais tias yog vim lxaj thov Vajtswv rau Lenpekas es nws thiaj xeeb taus menyuam. Nkauj 127:3-5 hais tias tubki yog Vajtswv muab. Piv hais tias, koj ntsib ib tug neeg uas thaum ub nws ntseeg Vajtswv tabsis nimno nws tsis ntseeg lawm. Nws hais tias nws pojniam tsis muaj menyuam. Nkawd thov Vajtswv pab los tsis muaj li, nkawd thiaj rovqab mus teev dab lawm. Tabsis tomqab uas nkawd hu txiv neeb tuaj ua neeb tag ces nkawd txawm xeeb taus menyuam lawm. Koj yuav teb tus neeg ntawd li cas?

When Isaac married Rebekah, he was 40 years old (verse 20), but when his two sons were born, Isaac was already 60 years old (verse 26). Verse 21 says that because Isaac prayed for his wife that she was able to conceive. Psalm 127:3-5 says that children are given by God. Supposed that you met a former Christian. He said that his wife could not conceive. They prayed but God not answer. They returned to Hmong animism and asked a shaman to do ceremony for them. After that his wife was able to conceive. What answer would you give that person?

2. Muaj ntau yim neeg mas leej niam nyiam ib tug menyuam, leejtxiv nyiam ib tug menyuam ib yam li lxaj thiab Lenpekas nkawd (nqe 28). Txhob tham rau tej menyuam hnov, tabsis neb ob niamtxiv ne, leejtwg nyiam tus menyuam twg thiab yog ua cas ho zoo li ntawd?

In many families, the wife and husband often favors one child over others as Isaac and Rebekah did (verse 28). Please do not let the children know, but which child do you or your spouse favor over others and why?

3. Thaum peb poob kev txhaum yog thaum uas peb nyiam lossis tshaib-nqis ib yam dabtsi heev li Exaus tshaib plab (nqe 29-34), thaum ntawd peb zoo siab them tus nqi kim lossis muab peb lub koob lub npe mus muag lossis pauv kom tau yam uas peb ntshaw ntawd. Tham qhia sawvdaws txog ib lub sijhawm uas koj tau ua li ntawd thiab tomqab ntawd muaj yam twg tsis zoo tshwmsim?

When we are desperate for something as Esau was hungry for foods (verses 29-34), we are willing to pay a higher price or even sell and exchange what we have for the things we desperately need. Tell the group about an event in your life that you have done such thing and what did you experience as a result?

Zaj no tau qhia tias noobneej yeej yog neeg txhaum tiag:

1. Ixaj thiab Lenpekas nkawd los txhaum qhov uas ib tug nyiam tus tub hlob, ib tug nyiam tus tub yau

2. Yakhauj los txhaum qhov uas yus tus tijlaug Exaus tshaib plab, tsis ciali pub zaub mov rau nws noj xwb, tseem ntxias koj nws muab lub npe tij muag rau yus mas thiaj kam pub mov rau nws noj

3. Exaus los thaum tshaib plab tuaj lawm ces ua txhaum qhov uas tswj tsis tau nws tuskheej, ciali muab lub npe tij muag.

Ntawm nqe 34 hais tias Exaus “noj thiab haus tag ces nws sawv lawm.” Tsis muaj dabtsi tshwmsim phem rau nws hais txog qhov uas nws muab lub npe tij mus muas noj muas haus. Tabsis txij no mus rau ntau tshooj tomntej, peb yuav pom tias yam uas Exaus tau ua no poob los rau nws thiab nws cov xeebntxwv ris. Yog ib yam uas poob peev loj.

Thaum ib tug neeg ua txhaum tag, nws sawv lawm ncainraim, zoo siab hlo tias tsis muaj neeg pom, tsis muaj dabtsi tshwmsim ces zaum no nws dim dawb. Tabsis yog peb tsis lees txim rau Vajtswv thiab tsis hloov siab, muaj ib hnub yam kev txhaum uas peb tau ua ntawd yuav tig rov los nrhiav tau peb. Thaum ntawd tus nqi uas peb yuav them mas siab heev. Txhua yam kev txhaum muaj tus nqi uas yus yuavtsum raug them lossis Tsw Yexus yuavtsum them rau yus. 1 Yauhas 1:8-9 thiaj hais tias yog peb lees peb lub txim, Vajtswv yuav ntxuav peb kom dawbpaug li qub. Yog koj muaj kev txhaum, ciali txhos caug thiab thov Vajtswv zam txim rau koj tamsim no.
