Most of our dreams do not come true. Maybe because of our health, or because of our brain functions that we see things in our sleep, but what we see are not realities. Even so, everyone of us remembers that some of our dreams had become realities.

In Genesis chapter 37, we learned that Joseph had two important dreams that he told his brothers and father about them. At that time he was 17 years old (37:2). When he turned 30 years old (41:46) he became the second-in-command to Pharaoh of Egypt. Thirteen years had passed before his dreams came true.

Read the whole chapter of Genesis 42 before answer these questions.

-
2. Nyeem nqai 7-17. Tej lug kws Yauxej nug nwg cov tijlaug feem ntau yog nug txug dlaabtsi? Hab yog tim le caag nwg txhaj nug tej ntawd?

Think about an even when your relatives had done something to you that made you really angry. What did you do in return? Now, think about what you did, whether it was a good thing or not? Was it right to do such thing in response? And why?

5. Koj puas muaj tej zaaj npausuav kws tshwm lug ua qhov tseeb? Yog muaj nua, koj

Have you had any dream that you think or believe that it will come true? What dream is it and why do you believe that it will become a reality?

Nyob huv Yaxayas 44:7, Vaajtsv has tas, “Leejtwg txhaj zoo le Kuv? Tug ntawd cale has seb! Tug ntawd cale qha Kuv seb muaj dlaabtsi tshwmsim txij thaum Kuv tsim Kuv cov tuabneeg puag thaum u lug, hab nwg cale qha seb yaav tomntej yuav muaj dlaabtsi tshwmsim – yog lau, nwg cale qha seb yuav muaj dlaabtsim tshwmsim tomntej.”
