

CHIVKEEB/GENESIS

Tshooj 2 – Adas thiab Evas Chapter 2 – Adam and Eve

Chivkeeb Tshooj 2 coj peb tawm ntawm zaj uas hais txog Vajtswv tsim ntuj tsim teb los rau hauv ib “lub vaj uas nyob sab hnuv tuaj.” Nyob rau hauv lub vaj no nws muaj xyoob-ntoo thiab tsiaj-txhu txhua yam. Tabsis qhov tseemceeb yog muaj Adas thiab Evas nkawd. Zaj no ua rau peb totaub txog lub homphiaj tseemceeb uas Vajtswv tsim noobneej los ua phoojywg nrog Vajtswv, nrog tej uas Vajtswv tsim, thiab ib leeg nrog ib leeg. Nyeem tshooj 2, nqe 4 rau nqe 25 uantej teb cov lus nug no.

Genesis 2 moves from the earth at large to the smaller stage of “a garden of the east.” Here there is colorful picture of plant and animal life. But its focus is on Adam and Eve. This record is a basis for understanding who we were meant to be in relation to God, nature, and each other. Read Genesis 2:4-25 before answer these questions.

1. Qhov uas Vajtswv tsim noobneej ntawm nqe 7, tshwjxeeb li cas thaum muab piv rau lwm yam uas Vajtswv tsim?

How is the creation of man in verse 7 unique in comparison with the rest of God’s creation?

2. Raws li nqe 9 hais, koj xav tias Vajtswv dej siab rau noobneej yog dabtsi?

According to verse 9, what do you think was God’s will for human beings?

3. Nqe 18 qhia peb li cas txog qhov uas Vajtswv txhawjxeeb txog noobneej?

What does verse 18 show about the depth of God's concern for humans?

4. Raws li nqe 22-25 hais, koj yuav hais li cas rau tus neeg uas txhawb kom pojniam yuav pojniam thiab txivneej yuav txivneej?

According to verses 22-25, what would you say to a person who supports homosexual marriage?

5. Tshooj Vajluskub no ua rau koj totaub li cas txog lub homphiaj uas Vajtswv tsim koj los ua neeg?

How does this passage help you understand who you were created to be?

Vim xav kom noobneej muaj kev phoojywg nrog Vajtswv, Vajtswv thiaj tsim noobneej tshwjxees dua li lwm yam. Chivkeeb 1:27 hais tias Vajtswv tsim peb muaj mojam/yamntxwv zoo nkaus li Vajtswv. Chivkeeb 2:7 hais tias Vajtswv xuas av puab noobneej tshiab tshuab pa rau noobneej es noobneej thiaj ciah sia los ua neeg. Chivkeeb 2:9 hais tias Vajtswv tsim muaj ib tsob ntoo uas nyob hauv plawv vaj, yog noj mas yuav muaj txoj sia mus ib txhis. Txawm Vajtswv muaj homphiaj zoo li ntawd rau noobneej los lub homphiaj ntawd kuj tias tiam vim noobneej hla Vajtswv cov lus samhwm.

Nyob hauv lub vaj muaj ob tsob ntoo (2:9), ib tsob yog tsob uas noj mas paub qhov zoo thiab qhov phem tabsis yuavtsum tuag. Tsob thib ob mas yog noj yuav muaj txoj sia tias txawj tuag. Vajtswv kom txhob noj tsob uas yuav coj mus rau kev tuag, tabsis noobneej mus de tsob ntawd noj ntag. Tib yam nkaus li ntawd, Vajtswv tsim txivneej los yuav pojniam thiab tsim pojniam los yuav txivneej (2:22-25), tabsis tiam no txivneej ho mus yuav txivneej thiab pojniam ho mus yuav pojniam lawm. Lub hlis no (May 2008), xeev California tso cai rau txivneej yuav txivneej thiab pojniam yuav pojniam lawm. Vajtswv tau teem txim rau Adas thiab Evas li cas ntshe Vajtswv yuav teem txim li ntawd rau cov neeg tiam no thiab.
